The most extraordinary discovery in the World in the Great Arabian Remedy for man and Boast.

H. G. FARRELL'S CELEBRATED ARABIAN LINIMENT

VERY family should at once procure a bottle of the I great Arabian remedy for man and beast, called H. G. FAGRIELL'S ARABIAN LINIMENT. It allays the most intense pains in a few minutes, restores the synovial fluid of joint water, and thus cores stiff joints; it penetrates the liesh to the hone, relaxes contracted cords, cures rheumatism and pulsied limbs of twenty years standing; also tumors, swelled neck, enlargement of the glands, and is the best medicine for ailments of cattle ever discovered, curing sweeny, spayins, solint, and all diseases which require an external ap-San Pain of 10 years standing cured by H. G. Farrell's. Arubian Limiment.

Mr. H. G. Farrell -Dear Sir: I had been afflicted with the "Sun Pain" for the last ten years, and could never get relief execept by bleeding; but by the use of H. G. Farrell's Arabian Laument, applied over the temples about three or four times a day, it was entirely removed, and I have felt nothing of it since. I went into the stable one night, to apply it to a horse's leg, and being very lame he stumbled and fell against my logs, crushing and bruising them so badly that they turned black as my but, rendering them powerless. I applied your Liniment, and was well enough in a few days. to go about again as usual. I also crushed my finger in a shocking manner, by letting a back log fall upon it; your Lin-iment soon healed it up, though. JOHN B. M'GEE. La Salle precinct, Peoria co., HL, Feb'y 6, 1849.

[Esq. Barker, of New Centon, Ill., says !] Mr. H. G. Farrell's Arabian Linuxent has cured some bad cases here, which every other remedy had failed in; one was a white swelling and contracted cords in the leg of a boy twelve years old. Theleg had withered away, and was so contracted that he had no use of it. Three doctors had tried their skill upon it in vain, and he was fust sinking to the graze, when the boy's father was induced to try H. G. Farrell's Arabian Limment. Before the first bottle was used up be came to Mr. B.'s store, and the first words he said were, "Mr. Barker, I want all that Limiment you have in the store; the one bottle I got did my boy more good than all that had ever been done before." That boy is now well and hearty, and has free use of his legs. It is good for sprains, bruises, cuts, burns and swellings.

Look out for Counterfeits! The public are enutioned against another counterfeit which has lately made its appearance, called W. B. Farrell's Arabian Liniment, the most dangerous of all the counterfeits, because his having the name of Farrell, many will buy it in good faith, without the knowledge that a counterfeit exists, and they will perhaps only discover their error when

the spurious mixture has wrought its evil effects.

The genuine article is manufactured only by H. G. Farrell, sole inventor and proprietor, and whole sale druggist, No. 17 Main street, Peoria, Illinois, to whom all applications for Agencies must be addressed. He sure you get it with the letters H. G. before Farrell's, thus -H. G. FARRELL'S and his signature on the wrapper, all others are counterfeits. CARTWRIGHT & ARMSTRONG, and by regular authorized agents throughout the United

it should be in every family in the South: 1st. It is of Southern manufacture, being made by the subscribers in the city of Nashville. 2nd. It is of such durable materials that it must out last three or four cast iron stoves. 3rd. It is more complete in its cooking apparatus than any cast iron cooking stove. 4th. It is so complete in its construction, that a child can

5th. Its economy of fuel is such, that it does not use half as much fuel as a cast iron stove of the same size. 6th. In economy of time it is important, as it can be heated ready for cooking in a few minutes. 7th. Its uniform regularity, as every part of the stove is equally heated at the same time.

8th. Its perfect reliability, as we have put up over 400 of them in this State, and no one has ever failed to give en-The Tennessean has now been before the public for five years, and if not as new as some, it has another advantage quite as great, viz. a well earned reputation and a rising credit. It has been doing the work of many hundreds of families for several years, and it may be said, TO HAVE ES-TARLISHED ITSELF IN BUSINESS. Competition and change have done it no hurt. Like an old and well known trading house that retains its regular custom, while new ones are springing up around it, so this store has held on its way. No stove could thus steadily and permanently prosper, that has not sterling qualities—the true element of success.

The Tennessean started on right principles, and has had no occasion to stop for improvements. Those who have used it, are determined still to use it, without modification or change. It is brought forward as the same substantial, convenient, business-like stove, that has served the public so well heretofore, and that has done its full share in gaining for our establishment the reputation it enjoys; of keeping the best cooking stoves in the market. DR. C. WILLIAMS' Compound Pulmonic Balsam of Wild Cherry and Wood Naptha. For the cure of Coughs, Citis, Hotrseness, Hospingcough , Crowp, Bronchitis, Spitting of Blood, Adhma and Con

From Physicians Testimony Worth Knowing Read the subjoined opinion of Dr. J. W. Hickey, of Moulton, Ala., a popular and skillful physician of the old school, and of more than twenty years experience.

Movinos, Ana., July 20, 1851. Dr. Chas, Williams—Dear Sir,—I embrace the present opportunity of addressing you a few lines relative to your Pulmonic preparation of Wild Cherry, which you have introduced to the notice of the public. I have all my life been opposed to all secret remedies, but after my interview with you last Spring, and from the information you impurted to me relative to the ingredients of which your excellent preparation is composed, I felt no besitation in trying your preparation in my case, and am pleased to say it fully justified the favorable impression I land entertained of its efficacy in affections of the Lungs. I also prescribed your preparation to many of my patients with the greatest' success. I am also informed by my friend Dr. Jenkins, of Hillsboro' that he has found it in his practice to be a most valuable Anodine Expederant in all cases that have been under his observation. I would suggest to you the propriety of having your agent always fully supplied in this place, as I found that your agent here had entirely sold out all you had forwarded him. I take great pleasure in recommending your valuable preparation as a most efficient remedy in all Pulmano ifrections and the last Anodine Expectorant with which I ato acquainted. If you think this will be of any benefit to you, you can use it in such a manner as you may think advisable.

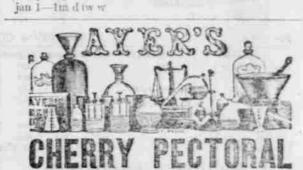

Most truly yours,

Dear Sir:-For three years I have been afflicted with a Cough, so distressing that I frequently dispaired of recovery; much of the time I was obliged to sit up all night in my chair, as my cough would suffocate me when I laid down.
